

# Get Ahead Writing

**We teach teachers, how to teach writing.  
That's it!**

*Say NO! to all the gimmicky writing "programs" that don't work. We don't sell you binders, posters, books, or anything else that locks you into using us. We train your teachers using a direct method of instruction for ALL the Writing Application Standards.*

*abcde*

*Some of our current API growth....*

<b>Ramona-Alessandro Elementary</b> San Bernardino City Unified School District	# 1	API Report growth in their district & # 6 in all of San Bernardino County! 66 points
